“ *Terri and all of Caleb's family,*

For several years now, Caleb has been a bright and shining light in my life. His visits to my workplace to select new eyewear (or to get his current ones re-adjusted) were always high spots in my day. It has been a real honor to have known him and to have been, in some small way, of service to him. I pray that God's abiding presence and gracious peace will hold all of us in our grieving, even as that same presence and peace holds Caleb now and always.

“ I am so very sorry for your loss. Losing a loved one is one of the hardest things we will ever have to face. I wanted to share something that has brought me a great deal of comfort. Isaiah 25:8 says "He will swallow up death forever and the Sovereign Lord Jehovah will wipe every tear from their eyes." What a beautiful promise we have to see our dear loved ones again.
