“ *I just learned of Mr Mcneeley's death today. I am so sorry for his family. I truly enjoyed seeing him over the years. I was his veterinarian for many years -I took care of Rusty and Ethel! I will miss his happy face!*

“ *The city and people of St. Albans lost a fine gentleman! As soon as I saw the smile, I remembered Calvin. Calvin and my father were friends for years and always "kidded" around with me as a young boy hanging around the fire department. He helped me get my first bike, I remember that day like it was yesterday. I left St. Albans in 1960 and still think of him fondly. So, to his family, always know he was a gentle giant in the eye of a little boy and still respected all these years later. He was one fine man, you should be proud.*

“ *Jim and Family.*

Calvert was a very good man and a good friend to my father and me and he will be missed by all who knew and loved him. Jim do you remember when we were kids and my brother Dennis, you and I bought Beatle wigs and wore them sitting on a bench in front of the old Fire Department. Calvert came out and saw us and made you take yours off. I don't know if you will read this but if you do please contact me at jemjr47@msn.com I would love to hear from you after all these years. You and your family will be in our thoughts and prayers.
