“ Uncle Clinton you and I shared the same birthday. I am so thankful that my brother and sister had you around after my dad passed. You became their surrogate dad and surrogate grandfather to their kids. I am sure if I had lived in the "holler" you would have been the same for me and my kids. I want to thank you for taking Logan hunting. He had a wonderful time. I loved it when you showed up at church with Jon. That was in and of itself a gift I will never forget. I will always miss your laugh. RIP Love Tina

“ Clinton,
19 years ago my children lost their Dad (Pete) who was also your brother. They were so heartbroken. You stepped in and became their 2nd Dad and a Papa to my grandchildren. They loved, admired and respected you a great deal. You taught them a lot in many ways. I am sad the Lord took you out of their lives but, also know you are having a wonderful reunion with Pete, Calvin and Este plus the rest of your family. I do appreciate and thank you and your family for being there for my children. May the Lord give your family strength and God bless your family.
Always,

You weren't just an Uncle you were so much more. You will be greatly missed. Love ya always ~Mel (Bubbles)*
