“ *It was always so nice chatting with Aunt Carol to get the family updates and making sure I was making the pumpkin roll up correctly and helping to arrange mom and dad's annual visit to West Virginia- the prime rib, cherries, apples and smoked fish! You are in our thoughts and prayers! Dave and Jodi LaCrosse*

“ *I was married to Carol's oldest daughter for 29 years. When I joined the family, most of Carol's daughters were living at home. Some of them were still in High School. It was a treat to see those girls grow up. Carol had the ability to reign her daughters in if necessary, but that was rarely the case. She was always there for her family, I have so many wonderful moments that I spent with Carol and her family. Definitely one of the happiest times of my life. The celebration of her life at the church dining hall assembled all her children, I was in awe to see how the family had grown. Carol's children, her grandchildren, and her great-grandchildren, and maybe a couple more generations. I got somewhat lost in the generations that were present. It was apparent that Carol was loved by everyone in that hall and I was one of them. I will truly miss her.*
