“ *Lynn and her mom were my neighbors when we built across from them in 1999. My son now lives there with his family. They were the very best people. I'm so sorry for the families loss. Lots of wonderful memories! Will miss her Christmas displays and chats at end of our driveways. The Eastwood and Stephens families.*

“ Some of my earliest childhood memories at TVBC are of Lynn, Roger, Dee, and the Sparks crew. Lynn was so fun; I always checked to see her crazy socks! As I grew older, I looked forward to Lynn coming to restaurants where I worked. She and her posse, always brightened my day (and impacted many of my coworkers). Lynn leaves a legacy of sincerity and genuine kindness. She has touched the lives of countless kiddos like me, "sparking" joy and instilling love. I'm so grateful to have known her. While this is a grieving moment for us, I have peace knowing that Lynn is having the best time ever, celebrating and singing - saving seats for us.

“ *When my husband and I began attending TVBC, Lynn went out of her way to make us feel welcome. She was a blessing to everyone who met her. This world will be less for our loss but Heaven will be enriched.*
