“ I was so close to Carolyn years ago. being cousins we saw each other often, our Mother's were sisters. but as We went on our journey in life, and our Mother's passed on, we just lost contact. running into each other once in a while. but I loved her and my heart hurt for Her When she lost her daughter, and Son. and after losing the Love of her Life, Bucky She just gave up. or that's my opinion. but I Loved Her and I have saw her in pain, but she would give you a Smile RIP Carolyn. To the Family, I'm so sorry for your loss.but your should have a lot of great memories, I do.
