“ I have added Aunt Sues typed words regarding two of the pictures I posted. There aren't really any words to describe her so I will just say she was loved by her gazillion nieces and nephews and played a big part in our love of family.

This was what she wrote about the family pictures with all of her brothers and sisters.

Yep, that's me at 5 years old. It was Daddy's 60th birthday party. See, I had the best of all worlds...like being raised by grandparents, but they were my parents and brothers and sisters. I love this picture.

This is what she wrote about the house she grew up in.

Mowing the yard with a push mower. Sun bathing, waiting for Sunday's for playmates. Riding in summer rain on my bicycle. Staying too long at Glen and Bertie's and flying home on bicycle!!! Cool summer mornings after breakfast and sitting in front porch. Throwing off my apron into yard as I ran to catch bus with everyone laughing at/with me. Watching for Mary the Woman to come walking down the road. Riding Pearl and Jack Z riding a horse to drag hay shocks to haystack. Dad, Zick and Cecil making the stack...Zick topping it off. Swimming afterwards in swimming hole..everyone of us young folks...soooooo many thousand memories including most of you, my dear family!

Love you Aunt Sue and thanks for all the memories❤❤❤
