“ *Carolyn was a good friend and the best neighbor anyone could have been lucky enough to have in our 36 years of living across the street from her. We shared many good times and will always have wonderful memories of her. Speaking of her love for Elvis, Carolyn, Rob, Dick and I went to one of Elvis' last concerts before he died, at the Charleston Civic Center. It was something we will never forget. Rob went up to the stage and got one of the scarves Elvis wiped his face with for his mother. She was thrilled.*

*We are fortunate to have had Carolyn in our lives.*

*Our love and sympathy to Larry, Rob, and Family.*

“ Mr. Null & Robbie, It was great to see the pictures of you all but also very unfortunate... I think they captured Mrs. Null in the correct light - I always remember her as happy & smiling, with a funny story to tell. It was fun growing-up across the street from you - we always looked-up to you Rob. I'll never forget you showing us how to put a baseball card on the bicycle spokes or when I bought your 10-speed bike. That was really something for me, and Nathan & I both got a lot of use out of it.

When I worked at Union Carbide, it was always a pleasure to see Carolyn, even if I was going in for a Flu Shot. And, in more recent years, we really enjoyed hearing about her travels abroad.

Our condolences,

*Matt & Penny Goff*

“ I knew Carol from Union Carbide. We both worked for Human Resources and I am so sorry to see that she has passed from this life. She was a very nice Lady. No words I can say will help at this time but please know that I care.
