“ *I worked with Carroll several years at Acted Fibers. He was a great friend. I lost track of him when I moved to Georgia in 1980 after the plant closed. He was a wonderful man and will be missed by many.*

“ *Carroll, Donna and the “boys” are people I have known most of my life. I don’t remember not knowing them.*

My first memory of Carroll is of him playing bass guitar at church. It was Carroll on bass, Otis Wells on guitar and Peggy Cooper playing piano. Those were some good times.

Rest high on the mountain my friend.
