“ *To Bobby,Debbie and family, we were so sorry to hear about Casey. She is so pretty in her picture. I know you became her parents and took wonderful loving care of her. We can only do so much here on earth, and the rest is up to God to take them home. I know you will miss her, but I guess her Mommy in Heaven needed her more. Take comfort in knowing she will never be ill or feel pain, her time for a healed body came, and she will always be happy and healthy forever. You will be in our thoughts and prayers. Your friends Jane and Rodney Johnson*

“ *It's hard to pick just one of my favorite memories of Casey..It seemed like it was so long ago that we were all in theatre together and we were a family. She always had everyone laughing and smiling even when we were all so stressed. I do know that my main memory of her is how brave she always was! She was happy and she never gave up, she always pushed herself and I loved that about her. She was strong. It's so hard to believe that she is gone..I wish I would have spoken to her more after high school and I regret that but I know she is happy, healthy, and watching over us all with the biggest smile.*
