“ Casey Morris - when you speak her name you see a beautiful young woman She always had a smile on her face. She would do anything to help someone out. She gave birth to 3 beautiful babies. She graced me to be Able to hold them, feed them, watch them grow and to be one of their teachers. Casey was one of my best friends and I will miss her tremendously. My heart is broken now but one day soon we will be in heaven together. Enjoy Heaven sweetheart.

“ I worked with Casey for a few years at Dynamic Graphics. I'm at a loss to say how much she will be missed going forward. I trust that God sometimes has other plans for us, some we don't understand.

What I do know about Casey was she was a lovely human being who cared very deeply for all her family and especially Adam and their beautiful children. Sending heartfelt sympathy to all who loved and knew her too.

“ Our entire family is saddened at Casey’s passing and pray the Lord be with Adam, the kids and the entire family. Our Church will always have a void on the back row and at all of our functions. The biggest void will be missing her always smiling face and sweet voice as she diligently worked with our kids and grandchildren on crafts every chance she got. Casey will be remembered always and I know, because God says it’s so, that the moment she left this temporary earth she was immediately in the presence of God, she was healed of all afflictions and received her new body. We now have a great responsibility to stay on the path to Heaven where one day Casey will come to meet us on that beautiful shore. Thank you Casey for all you did for my grandchildren, they loved you and are distraught over your passing. They won’t forget all you did for them either.  
Love and Prayers.
