*My dear sweet friend Cathy, how you will be missed, she was loved by everyone. When we moved next door to you little did I know that she would become one of my friends with a heart of gold. We did have some adventures, (some good, some not so good). Then you all moved off and left me crying like a baby ( hence where my nickname from you came from. Boo hoo Lou after that she never called me anything else..and I am so sorry we didn't get to one thing on your bucket list, you wanted us to play Miss Pacman again, we used to play that machine all day. I know you are rejoicing with Heather and JC . your life on earth had a lot of tragic events but you overcame enough to give your heart to the Lord, and I am so thankful for that. The last time I visited you, you told me you were ready to go and had made peace with it. Rest in peace sweet Cathy*
