“ I am deeply saddened to hear about the passing of Celia; thus, I offer my deepest condolences to her family. She was such a sweetheart; and, for years had went out of her way to help me since starting my job at the WVHEPC's Erma Byrd Higher Education Center in 2013! I will never forget the kindness she showed me; and, like others, will miss her dearly.

“ My sincere condolences to Celia's family. I've worked with her since I joined the Higher Education Policy Commission in 2014, and I always enjoyed speaking with her and hearing her stories of spending time with her grandchildren. She loved them dearly and I know she will be missed by her family, and certainly by all of us here at the Policy Commission. We're all very sad to learn of her passing and are thinking of her and her family.
