“ So sorry to hear of your loss. My deepest sympathy is with your family. I remember playing basketball as a child with our next door neighbors. Chuck was such a nice guy and always ready to play football in the road or basketball. He was so proud of those kids the last time that i saw him. Your family is in my thoughts and prayers.

“ We will miss Chuck until the day we all meet again. He was more than a neighbor to us....he was part of our family. He was one of the kindest, most loving, gentle, giving souls that I have ever known. Anytime my dad, Bob Ellis, needed anything Chuck was right there to lend a helping hand. He always checked on my dad, worried after him, cooked for him, visited him in the hospital, and spent hours just sitting on the front porch chatting with him. I remember the day I picked my dad up to bring him to SC due to his declining health, Chuck just hugged him with tears running down his cheeks...he would walk away and then come back and hug him again...walk away and come back....after about the 4th time my dad said "go on now son, love ya and I'll see you soon." I know in my heart that Chuck is now in heaven and when my dad's time comes Chuck will be there waiting on him to finally welcome him home. We love you Chuck. Godspeed my friend.....Cindy and Bob
