“ My prayers are with you and your family Janet. Everyone at Airgas loved him. He could make and bad day a good day with his smile and his personality. I have been gone from Airgas several years now but my Airgas family holds a special place in my heart. I could not be at the services which I deeply regret but my thoughts and prayers are with you. 💔

“ We are sorry to hear of Chuck's passing, just know that we are thinking of you during this time. Chuck delivered the O2 to Clay County Ambulance for years and we have missed him. When he stopped in the summer month he and I would talk about Charles because he is the same age as my grandson and share pictures...he was always happy and could make anyone laugh... he will be missed by so many... God Bless, care and remember he is always with in some way.

Prayers and hugs as you move through the upcoming days and weeks. Cherish the memories and reflect on those during difficult times. Someone once told me the best way to honor those that we lost is to do something they may have done and smile.
