“ *I feel so bad that I just saw this . I worked with Chuck at McJinkin Corp in the 80'S then 90's. I started work very young there. I was the lucky girl who he sild his baby crib too when I got pregnant in 1982. It was a blessing. God Bless*

“ you Sharon, Sarah, Henrietta, Fred and the rest of the family. Jerri and I send our deepest sympathy, we hate it that we could not attend his service but we are both under the weather. I remember out days in the Air Guard and how we took turns driving, I always liked riding in the Plymouth Road Runner he had. Between the two of us, even at the low gas prices back then we managed to burn a lot of gas on the interstate. I really hate it that I lost touch with him over the years, the last time I saw him, Jerri and I were at your house in hurricane and I don't remember why.

I did kid him about getting roped into the cowpasture pool thing with Chad, Chris and another guy, can't remember name. Told him he needed to take up bass fishing, a lot less stressful and you didn't have to wait on anyone to do it.

If there is a course in Heaven like Augusta National, I hope he gets to play it as often as he wants.

Again, we are so sorry we couldn't be there but you were at the time of the service and will remain in my thoughts and prayers

Sincere sympathy to you and the family. We attended church together at Grace Baptist Temple in St. Albans in the late 50's, early 60's. Our mother was June Stanley. Please share our sympathy with Chuck's brother and sisters.

“ Chuck was so much fun to be around. We were in the same class, SAHS 1967. We were also in chorus and we had a ball in there. I briefly saw him at our 50th class reunion. Oh how I wish I could turn back time and sit down with him and reminis. May God be with his precious family, and give them the strength they will need. Prayers to all Becky Brown Nafe

“ My buddies and I enjoyed a few rounds of golf with Chuck at Big Bend a couple years back. Chuck had a knack for hitting his ball into the woods whenever there was any woods nearby . Seems he was always in there tryin to wack it out. He was in the woods so much that our name for him became Woodchck. With his good nature he got as good a laugh out of it as we did. He'll always be Woodchuck to me. We'll miss ya buddy, God bless
