“ *Dear Robin, Mark and families, I am so very sorry for the loss of your father (grandfather). He was always so very kind to me. As an eighteen year old, he gave me college advice...later as an adult, I would see him in Charleston...he would always give me a hug, and we would chat. Heaven now has two angels from the Saber family. May your dad Rest In Peace, with your mom. Kindest Regards, Love and Prayers to all of you, Robin O'Brien*

“ *Mark, Robin, and family,
Our family is heartbroken at Bob's passing. Bob has been a great friend and neighbor since 1969. From our daily walks around the church to our fellowship and visits, we will miss the times we got to spend with our friend but are so thankful for wonderful memories.
With love, Gary and Becky Isner*

“ *Much love to you Robin!! I know how much you and your father loved each other. You showed it every day!! You put a smile on his face every day with everything you did for him. You went above and beyond to take care of your dad in his final years. In my line of work with senior citizens every day I see lonely people who have children near by who simply are too selfish to do the least little thing for their parents. It is heartbreaking. I watched you every day bring your father salmon, set up card games with his friends, watch murder mysteries with him. You were PRESENT every day. Your amazing husband spent the night with him when he was confused. Your amazing daughter spent time with him to let him know how much he was loved. Bob left this world knowing he was loved and now he is with Jesus and no longer suffering. He is reunited with his wife. He is no longer in a wheelchair. He is free and happy and while I know you will miss him every day please cherish the incredible memories that you had with him and know that your were his angel and he loved you more than anything. XOXO your sister by choice, Renee*

“ Mark, Robin and families. I am so saddened to learn of the death of your dad, Bob. I first met Bob the summer of 1955 when my mother, my grandfather and I moved to East Bank from Eskdale on Cabin Creek. We moved directly across the street from Bob, his mom and his stepfather. We became lifelong friends and remained in touch even after I moved to Virginia and worked there for 40 years before returning to WV in 2006. I have lost a true friend; one I shall never forget.
