“ *Hope,*

You and your family have my deepest sympathy at this time. The two of you were the warmest and down the earth people that I know. I remember coming to your home during Christmas time when you were my boss, Blue Cross Blue Shield, Membership. You and Charlie made all of us so welcome and at home. Also I can remember as a young single mother Charlie trying to get me to invest in homes in rural areas such as Winfield, Hurricane, etc., but moving that far out with two small kids was scary for me. Little did I know that he had my future well being in his heart, cause believe me he wouldn't have made much if any on the sale. Once again, from my family to yours, you are in my prayers.

*So sorry for your loss , Charlie was truly a one of kind Great Man !!!!
I thought a lot
of him over the 40 plus years that I had the pleasure of knowing
him. I never will forget a young couple bought a house from him an
they were a day or so from closing an found out the sump pump had
quit working. So he purchased a new one an had me put it in just to
get that couple closed an in there new home.He paid for it out of his
own pocket.He did a lot of things like that mostly unnoticed. Plus
there was the time he had bought a couple horses that weren't tame
yet. So me Charlie and Mike were down at the barn an Charlie
decided he was gonna ride the little mare. He got on that horse an it
started bucking an he grabbed the saddle horn and held on for dear
life. Me and Mike laughed till we cried it was so funny.*

*Hope, Chris an Matt, my thoughts an prayers are with you an if there
is anything i can do please let me know.*
