“ My wife Cathy, and I, "always considered", Chuck and Mary Ellen, "special friends", extremely good people!!! Even though, we didn't get to socialize outside of work, "that often over the years", we always enjoyed what little time we shared at each others homes in West Virginia, and during their visit, to our home in Myrtle Beach!!! We had a lot in common, esp. with large "extended families", of children and grandchildren, which were the "center piece of our lives", our ages, (month apart), and of course, our careers!!! We spent quite a few years, working together, and not only enjoyed great compatibility, "in working as a team", but, I feel we also developed a mutual respect and admiration, of each other, for how we handled "our clients", professionally and personally!!!! Chuck, had a fantastic "sense of humor", with a positive attitude on life!!! He was a very, very good man, and the world was a better place for him!!! I'll miss, stopping by to "visit with him", on my occasional visits to WV and Turnpike, but, he'll "always be my friend" and never forgotten!!!! Thoughts and prayers, to Mary Ellen and the kids---"YOU were his life and YOU gave him happiness"!!!! Take care of each other, as Chuck would want you to do!! Rest easy ol buddy--God Bless all!!!!
