“ Charlie, Thank you for a lifetime of memories and friendship to me and our family. All the memories out at the farm, long days and nights in the taxidermy shop and a room full of your work here at our house as a daily reminder. You wrestling our children when they were small. The hard days out on the construction jobs that we put in. The cookouts at the farm! We will never forget you!  
To your wonderful family: May God comfort you all in every way during this time of loss and fill your minds and hearts with all the memories of a wonderful man that blessed us all.  
Charlie: A hard worker, very regimented in his daily routine, KIND, soft, always willing to lend a hand. Dressed in Gray or Jeans!! A Guinness book record holder of the length of time and use he could get out of a pickup truck and farm tractor. No Kidding!  
We'll miss you Buddy but always cherish your love and memories.

“ I worked as a cashier several years ago at the service station previously called C&L Super Serve. Mr Charlie was very kind & always made it a point to speak for a minute when he stopped by for fuel or something else. I thought his family might like to know that he was thought of as friendly by us who saw him often at the store. My condolences to his family with prayers for comfort during this difficult time.

“ I will miss stopping by and talking about hunting and fishing with him. Something I'll never forget is for almost 20 years now he would always help me sneak over to the back pond in the golf course so I could bass fish it. Great man, taxidermist and friend that will be missed, I feel lucky to have known him. RIP

“ *Many thoughts come to mind when I think of my Uncle Charles. My earliest memories are of him being ornery, tugging on a lock of my hair and calling me Sandra Vanocur. He spent his whole life on the farm raising tobacco and hay and many gardens. He also spent many a year in his taxidermy shed filling orders for family, friends and locals. The farm and Sleepy Hollow Drive will never be the same without “Uncle Charley”.
