“ I am late in writing this as it is still hard to believe he has passed. I will always remember him smiling, and also driving down the street just around a week or so before he died. He was always friendly and kind, like Carol, and I will always appreciate you all being great neighbors and friends to my family throughout the years. We were fortunate to have grown up around super nice people. Prayers to all of you, and may happy memories always make you smile. Kathryn Kukura

“ Carol, Chuck, Chris and Chris, and Family,

We are so saddened to hear of the loss of Charlie and we extend our sincere sympathy.

We have many fond memories of being your neighbors for 48 years. We always looked forward to seeing Charlie and Carol when we visited back "home". Charlie was always there for us and especially for Mom and Dad (Helen & Ray) as they aged. Some special memories....Charlie always teasing Helen when she would be outside on the steps or porch with only socks on her feet and no shoes; Charlie's Chicken Soup---we make it often; and one of Dave's favorites...in 1973 Dave and Charlie were passing football and one of Charlie's throws slipped out of his hand and went through our living room window; we had lots of laughs about that over the years.

Rest in Peace Charlie---we will miss you.

“ Carol, Chuck, Chris and Chris and family,

We want to extend our sincere sympathy to you and your family. We have lost a close friend and neighbor. Charlie was so very helpful to us and especially to Ray & Helen as they aged and needed assistance. Charlie and Carol were always there for them. When we returned "home" to St. Albans for visits we always looked forward to seeing Charlie and Carol. Some fond memories, to name only a few...Charlie always teasing Helen about being outside with only socks on her feet and not wearing shoes; Charlie's Chicken Soup recipe---we make it often; and one of Dave's favorite memories...Charlie and Dave passing football in the street in front of our house (1973) and one of Charlie's passes slipping out of his hand and the ball going through our front window (we laughed a lot about that over the years).

We will miss you Charlie, may you rest in peace. Dave and Kelly Rogers, Orwigsburg, PA.

“ Carol, I was so sorry to hear that Charles had passed away....Lori told kari while I was away at the doctors office....Wow, what wonderful times that we have had with the two of you.... I remember Charles coming down to our house with a few others to put in our first A/C unit in the window of our living room while we were away at the club with ALL of our children....we had no idea of what they were doing but Charles made sure it was done right and quickALL of us were so surprised...we had no idea that they were doing that....and Wow, it felt so good. We have replaced the A/C unit a couple of times but it is still in the same place.... Would love to talk to you...
