“ *So sorry I didn't see this earlier. Condolences to Charma's family. We became friends in the back of my ambulance when I took Charma to the hospital a number of times. I always enjoyed her company.*

“ I have been set back and almost in unbelief of my friend's passing. Even though I knew she would not be with us much longer I just felt something good would develop from all this. The times we spent just talking over coffee, watching a movie, traveling and vacationing together will be missed. She differently knew how to roll with the flow. There was only one "Charma", she cannot be replaced. We will miss you Charma. Your friend, Sandy Blevins

“ *What do you say when the world loses a bright and shining light? There are no words that can fully sum up what a huge loss this is to all of us here but I can say that the times I got to spend time with Charma her vivaciousness filled the room. She was an incredible lady and will be missed deeply by those of us who were lucky enough to meet her. To the family I must say please accept my heartfelt condolences for the loss of such an awesome lady.*
