“ We have known Chris for the past few years and she has been such an inspiration! Always so young at heart. So caring. Such a beautiful woman with a heart of gold and let's not forget that sense of humor of hers. She made an impact on my entire family just by being her. We loved her and she will be missed. Prayers to her family. ❤️

“ *Timmy and Francie, I'm sorry to hear about Chris's passing. I have lots of memories of you all. Chris was beautiful, fun, kind and tough. She didn't kick me out of dance class because I couldn't tap. She kept me as a babysitter even after Timmy and I got caught doing whatever it was that week. I always felt welcome and at home at the Lake's. Chris touched many lives, I appreciate her putting up with all of us .*

“ *While words fail to capture the pain of losing a loved one, we look forward to the time when words will fail to capture the joy of having our heavenly Father return your dear one to you. The bible hold out to us a truly beautiful promise. This wonderful promise of hope is recorded at Daniel 12:2 "And many of those asleep in the dust of the earth will wake up, some to everlasting life." Imagine our dear loved ones, whom we have lost in death, just sleeping waiting to wake up again and be reunited with us. How we long for that special day so close at hand.*
