

Cierra Lorynn Stevens

July 24, 1992 - September 3, 2023

Cierra Lorynn Steven's light was extinguished from this Earth on September 3, 2023 in Morgantown, WV.

In her 31 years, Cierra touched the lives of many others and lived with admirable tenacity and fierce love. She had kaleidoscope eyes, the brightest smile and an infectious laugh she always shared. She surrounded herself with music, and always danced to her own, individual tune. Cierra was highly intelligent and was continuously absorbing information throughout her life, expanding her knowledge. She was an avid lover of plants and cultivated many species while educating others with her experience. During her lifetime, Cierra struggled with addiction and mental health barriers. One thing she was most proud of was her clean time achievements and her ability to create a safe space for others to help them do the same. She loved her dog Finn dearly, and thanks to Tracy Buzzard and Angie Kay, Finn has happily found his forever home where he can run and play.

Cierra was preceded in death by her great-grandparents: Don & Freda Mallory, Robert & Jane Stevens, and Orland & Betty Truman; cousin: Michael Frame; aunt: Heather Hilts and Jake, her first dog that was the love of her life.

Cierra is survived by her Mother: Marcie Stevens of Scott Depot; Father: Andrew (Debbie) Hilts of Madison, WV; Nanna: Karen (Herb) Whittard of

Charleston, SC; Paw Paw: Bill (Jan) Stevens of St. Albans, WV; grandparents: Ed & Kathy Hilts of New Port Richey, FL; aunt: Kristen Hilts Walskey of Tampa, Florida; and half-siblings: Tiler Lockhart and Ryann Hilts; "Uncle Chris" (Nikki) Wiseman; many great aunts such as Jill (Jeff) Cline, great uncles and cousins, and a tremendous group of friends and co-workers from the Hurricane and Morgantown area.

As quoted by her friend, Chastity: "Cierra had the soul of a gypsy, the heart of a hippie and the spirit of a fairy." Nothing could be more true. Float on, sweet Cierra. We all loved you more than you could have ever loved yourself.

“ There's so many amazing memories I have with Cierra. We would mostly hang out at the pool in our apartment complex just swimming around and soaking up the sun. We'd always stay up way too late watching movies and playing video games. Cierra was such a goofball and really knew how to make any event extraordinary. One of my special memories with Cierra was one day at the pool I noticed they had this cute little necklace with a daisy in it. They said they'd get it for me as a birthday gift but I was too impatient at the time though and bought it within that week. We both wore the necklaces together frequently and it felt very special. I'll cherish it forever and it will always be a reminder of how amazing our friendship was.

“Cierra, I love you, I always will. Four years of knowing each other, two years of actually growing close. I so badly wish we had more time to make even more memories and have more fun times together.

Cierra will always be one of the funniest people I know, (not to mention beautiful omg!) they made me laugh so much, in person and through text, oftentimes unexpectedly, but in the best way. And that laugh. I'm going to miss that infectious laugh so much. I hope it stays with me forever. I wish we had more days and evenings to spend at the pool together, those were always a blast. When you attempted stand up that one night, you kind of bombed but we laughed about it and it was good, wholesome. Cierra has my back and you, Cierra, will always be a part of my chosen family. I love you.

“When Cierra was just a toddler Marcie would bring her out to our house to babysit for her. Cierra being wonderfully beautiful and smart and just extremely funny with those faces she would make. One day Cierra found Uncle Tommy's tums and ate a cherry and orange flavor before I could get them from her. She loved them and every time Marcie brought her out she would ask for the candy!! I would tell her that wasn't candy, it was Uncle Tommy's medicine. She was never convinced and would look at me with her sweet little face all scrunched up and say "NO...medicine taste bad...candy taste good. I want the candy" I couldn't keep from laughing. I had to start having some kind of hard candy in the house, but she still wanted Tommy's candy!! I love you so much, you will always be in my heart Sweet Cierra!! The world definitely lost a beautiful shining light...Heaven gained a wonderful new Angel!!

“ I have memories with Cierra going back to kindergarten class all the way through college years. I remember in grade K when she went to the Britney Spears concert. She talked about it for weeks in class, before and after. She loved music! Cierra and I were both strong-willed ladies and could really butt heads but we never lost sight of our friendship. We went to many many movies together through elementary school and middle. We were syked when Teays Valley Cinemas finally opened and we didn't have to bug our parents to take us to Charleston for movies anymore. She helped me get my first job, where we worked together at Graziano's Pizza in Teays Valley. Who knew pouring ranch in bottles and cleaning bathrooms on top of serving customers would end up bringing such fun memories to look back on. We remained tight through high school where we used to drive back roads, carry on about life and listen to music as loud as we could. Cierra and I had a matching energy that sometimes could lead us to too much fun (some would call trouble) but I have so many great memories with her. So many belly laughs and fun nights. Fly high Cierra! Crank that music, dance, laugh and carry on over us all!
