“ *Bossie will be missed in the neighborhood. He taught Floyd a lot about gardening. He would pop over and till our garden whenever he wanted to without us even asking him. We would look out the window and there he would be out there plowing up the garden. We are Sad to hear of his passing and our thoughts and prayers will be with you in the coming days.*

“ *I did not know Clarence personally, but I wanted to express my deepest sympathy for your family. At times like this, I have personally found Jesus Christ's words at John 5:28,29 to be truly comforting. There he promised that "the hour is coming when all those in the memorial tombs will hear his voice and come out...to a resurrection of life." I look forward to the time when I can see my loved ones again so much. Feel free to contact me at the attached email address and again I'm so sorry for your loss.*
