“ To Clark Jean and your family I extend my deepest sympathies in your loss. I have many shared memories with your Dad. His involvement in my young life through Scouting has continued into my older life through you and yours. I am very sorry that I can't be present during this passage and transition phase of your life. I do look forward to staying in touch going forward. The activities that create memories become the substance of our lives as we pass through this life. Perhaps they are the total of our lives in this realm. Perhaps they are what prepare us for the next realm. Mine and Sandi's thoughts and prayers are with you and yours.
