“ *The loss of your mother is so very hard. We lose many people in our life, some before their time, but to lose your mother is never good, the one who gave you life and was always there for you. Our heart goes out to all of you. She was one of my late mom's (Ola May Crawford) dearest friends. From all of us Brady, Sue, Wayne, Judy and Linda - we send heartfelt sympathy and prayers for comfort for all of you.*

“ I want to offer my deepest sympathies for your families loss. Words I'm sure can not even describe the pain you mus feel. I wanted to take just a moment and share a thought that has given me much personal comfort. Daniel 12:2 says "And many of those asleep in the dust of the earth will wake up, some to everlasting life." What a beautiful promise from our heavenly father. Soon he will bring all who we have lost in death back to life again. How we long for that special day.

“ I've loved Mrs. Burns since before I could walk. She was the shyest person but had the biggest heart in the world.
