“ *My cousin, Skip, was a warm, kind man, loving and loyal to his family. I feel very privileged to have gotten to know him during visits to Charleston in recent years. It was so great to have a Fravel family reunion a couple of years ago, a day that was very special to Skip as well as to the rest of us in attendance.*

With deepest sympathy from my family to Skip's children, Betsy and John.

Cliff Meadows---what a great guy! Shared countless war stories here at United and laughed & cackled at everyone of them. I had always tried to stump him on his sports trivia--and that was hard to do to a walking dictionary. With this crimson red candle, I would like to tell him, "ROLL TIDE ROLL"...Cliff, you will be missed my man. My special condolences to his family.

“ I was heartbroken to hear the news of my dear uncle "Coupee" passing yeaterday. It took a really long time for it to set in and seem real. But, this morning I woke up and was laughing and the it turned into tears remembering one of my favorite stories about my uncle. I will

Never forget and will always laugh when I think of the times we got into trouble along with "Coupe" for some table manners especially at the thanksgiving dinner table by my granny!!! Those who were there know exactly what I am referring to!! He never failed to put a smile on my face or give a supportive talk to me when times got rough.

I know that he only passed yesterday and I thought it was a sign that the sun was shining and the day was very pleasant - just the way he would have liked it. I know he is looking down on us and I know he is in such a better place now. I love you and will miss you greatly "Coup"

Love
