“ My dad was one of the hardest working men I have ever known, he would give the shirt off his back to help anyone out that was willing to work for it, and not just a hand out, he taught me a lot, in my 43 years and was always there for his children no matter what they needed, made sure we had our needs and not our wants, which sometimes we could talk him into our wants, but always had our needs. He will be truly missed, the family is altogether again, and I'm sure they will still be fighting on fried chicken sundays. Always will be loved.

“ I am Bonnie Normant (Don Sovine's daughter). Clinton was my first cousin. I loved Clinton. We spent a lot of time with Aunt Jessie's family fondly growing up. It is so hard to believe that Aunt Jessie, Uncle Lawrence and all their kids are gone now. I am so glad I got to go to the last Sovine Family Reunion that was in WVA. It was so good to see Clinton. I wish my health was better, I would try coming to WVA for his graveside service.

“ Oh my goodness what fun memories as a child did I have with the Gillespie children. Clinton and I are the same age as i was born in October 1957. I would go and spend the summer at my Aunt Maries which was Clinton(Hoch) Grandmother. Us kids would play outside all day long unless there was work to be done. All of us would push on okd golf cart up a hill and all jump on and ride it down. One time i thought it was a great idea to help with picking up straw bales boy that did not last i could not do it. I was too lazy. Picking black raspberries for his Grandma to make a cobbler and homemade ice cream. I love West by God Virginia, that place is all most Heaven. Rest In Peace cousin and tell all of our people I love them. Sending love and prayers to our of our family. Cyndee Duncan Zwiebel.
