“ My deepest sympathies to you and your family during this difficult time. Although I did not have the privledge of knowing Mr. Ellis personally I do know he will be greatly missed by family and friends. Job 14:14,15 is a source of great comfort, "If a man dies, can he live again? I will wait all the days of my compulsory service until my relief comes. You will call, and I will answer you. You will long for the work of your hands." Here God is talking to us telling us that he longs to bring our dear loved ones back to life through a resurrection and that they will wake up to his calling. Imagine that day when our dear loved ones do in fact wake up and come to life again. Oh how we long for that day.
