“ We were shocked and saddened to hear about the sudden passing of Colleen. I always enjoyed having Bible studies with her. We will not be able to attend the services in person but we will continue to lift you up in our prayers. You're a special family to us.

“ My best friend has gone on ahead. She left me with memories of laughter, fellowship, fun times shopping in Walnut Creek. Because of her, I know how it is to have a true, nonjudgmental, congenial person for a bestie. Once in a lifetime, we will be blessed in this manner. How I will grieve for her until we are inhabiting our pink mansions, side by side. I'm thanking Jesus for her and her family, who have become my family, too. God bless us everyone.
