“ Dear Megan and Steve,  
I was so saddened when Josh called about Colten’s death. I had the pleasure of getting to know you all at last year’s basketball games and remember watching Colten in action. I Will remember Colten enjoying life at its fullest. You are in my thoughts and prayers.

“ Colten had a good sense of humor. He would jump right in whenever I made corny remarks about things like possums and ramps. I'll sure miss the little guy!

“ *As neighbors of Stephen and Maggie we were fortunate to met Colton and his sister Delania. We were blessed by his always smiling face and enjoyed talking with him. Colton took great delight in discussing his adventures whether hunting, fishing and camping. He truly love the outdoors. He delighted in spending time training dogs with his Dad. Ever so mannerly, he was kind and courteous. Our hearts are broken and we pray for all family members during this most difficult time, and in the coming no days.*

“ We were very fortunate to met Colton this summer, along with his sister Delania. As neighbors of Stephen and Maggie we were blessed with the gift of Colton’s kind, gentle manner and really enjoyed talking with him. He took special delight when talking about his outdoor adventures with his dogs and training dogs with his Dad. He truly loved the outdoors whether fishing, camping, or hunting. Our hearts are broken and we will be forever thankful for knowing Colton. We pray for peace and comfort during this difficult time and in days ahead.

“ I first met Colton when I was reading to his 2nd. grade class. He was a very polite, nice young man. I judged his projects in some of the school "fairs" and he always went above and beyond with any project he prepared. Prayers for all the family.

“ I remember when Colkey and I were at camp and the next morning we went looking for a snake. Colkey's shoe slipped under a rock and then we saw a snake. I grabbed the hoe and Colkey smashed its head off for me. We laughed together. I love you Colkey.

*Colten was always a happy kid but now when he was on that football field he was a whole different person he was a great football player my son has played football with him for a while and when he walked off that field he always has a smile on his beautiful face with his Rosey red face. He was a great team player we are going to really miss him a lot. His whole team going to ALWAYS remember him on that field. The whole family is in my prayers and hearts. He was always so respectful. You may be gone but you will never be forgotten. We all love you, buddy.*
