“ Ilene, Deborah, Ann, Connie has received her promotion into that city that as teenagers you sang about. "Looking for a City" "For she was looking forward to the city with permanent foundations, of which the architect and builder is God". "But as it is, they were longing for a better country, a heavenly country. That is why God is not ashamed to be called their God, He has prepared a city for them." Instead, you have come to Mount Zion, to the city of the Living God, to the Heavenly Jerusalem. You have come to tens of thousands of angels joyfully gathered together." We don't have a permanent city here on earth, but we are looking for the city that we will have in the future." Hebrews 11:10,16; 12:22; 13:14.

“ Connie and I use to laugh at so many tells of each other's
childhood. She had a very beautiful smile. We dreamed of riding
horses a lot together.. Talk of our travels in horseback. Then she
would say, come on lets just go riding.. No will miss us, then
We'd laugh about that dream. She was a joy to be around. I will miss
for a long time to come. Love you CONNIE

“ This is Karen Toler Cronrath .
SO sorry for the passing of Sis Connie . I became very fond of her when I learned of this disease she had for you see my father had the same disease and I just had this attachment to the family for I know just what they went through during her illness . We do not know what or how our life will touch someone else . But this dear Saint of God surely touched my life . Her strong will to live and the Love of her beloved husband Bro Marion has was just priceless . She will surely be missed but as our Bible tells us that to be absent from the body is to be present with the Lord. So the other night when the angels came to take her home they were standing at attention waiting for the nod of our Father to bring his child home . We have a promise of seeing her once again .We must put our hopes , faith and trust in him and to live a life that is pleasing to him and make sure that everyone's hearts are in tune with him . Jehovah Shalom our peace now come on the scene and shower this family with the peace that passes all understanding right that this time for I ask it all in the mighty and matchless name of Jesus Christ my Lord . Amen and Amen .
