“ *We extend our deepest sympathies to you and your family. May the soul of your mother be at peace with our Heavenly Father. May your heart and soul find peace and comfort.*

Mr & Mrs Jon F Gaddy Sr - April 26, 2019 at 12:19 PM

“ *She was fun, with a good heart, hard working, a loyal friend, and mother that will be missed! Her passing is sad for us left behind, but a relief for my friend that she no longer suffers! May the Lord supply comfort for her family and friends for she is now in His presence, has no pain, and remembers us all.*

To Jim I say "she loves you still not only because you are her son but that you cared for her lovingly and kept her home as long as you possibly could." Please take comfort in that you did all that you could.

“ *I loved this woman...she was a neighbor that I'd always visit when i was little...loved going through those swinging kitchen doors and just visiting and talking. Broke my heart when she moved away. She was thought about often...I'm so sorry Jimmy...love and hugs....*

“ I'm so sorry about Connie's passing. I worked with her at the WV State Police office in Winfield in 1976 and 1977. She was always so kind to everyone I saw her interact with. Condolences to her loved ones.

“ I was so sorry to hear that Connie passed away. My sincere and deepest condolences to her son and family. During my tenure with the state police, Connie was, without a doubt, the absolute best secretary I ever knew. She treated her troopers like little brothers and she was our sister. Reverend Mark Kilburn is the most appropriate minister to speak and I know she would be very pleased. God be with you Connie and your friends and family.
