“ Lori, Renee and CJ I know your hearts are aching. I pray that you can find peace in thinking of the sweet memories you have and of the love your mom had for you!

I think the first time I met Connie I was about 12 yrs old. My brother Gary brought her home for the first time to meet the family. I remember how sweet she was. I loved her from the beginning. She talked me through many angst filled teen aged days. She was always a good listener and found the good in everyone.

I spent lots of time with her and the family over the years. No matter when you arrived, she was always welcoming. I'm sorry we were separated by miles the last years of her life. She will always remain in my heart.

*Connie I know that a good person like you are granted a place in heaven. I hope to meet you again. Til then rest in peace my sister

“ I am so saddened to hear the loss of a dear friend of 40yrs has passed. She was a funny and true friend who would light up a room with her smile and laugh.

We worked together, as cord board operators, at C&P of Martinsburg until the computers took over, then transferred to AT&T of Hagerstown, MD. We cae pooled and would stop at the 76 truck stop for BLTs and french fries!

The good ole days.

We went on a trip to FL. Went on day trips to shop and Candance went with us many times in the summer. We laughed and enjoyed life.

A part of me passed with her and will remember the great adventures we had.

Dawn and Lori, i have known you girls and am so so sorry for your loss

Candance, Grammy was there for you as much as she was able to. She loved you three so much. Her world was you three.

She is in no pain, and God has called her home.

I am wanting to be there for support but my health prevents me from travel.

She will be missed deeply.

May she R.I.P.
