“ With deepest sympathy to the Davis, Reynolds, and Kirby families:

*We follow a pathway that has no end
as we travel through life day by day.
Together with those who are dear to our hearts
and are there by our side, come what may
But sometimes a loved one must travel ahead
for reasons that aren't always clear.
And we're left behind to continue along,
missing one who is no longer here.
And while it may seem that the pathway has stopped,
it merely has rounded a bend,
And our loved one goes on to a much brighter place
down the pathway that has no end.*

*Craig touched the lives of all who knew him. I am privileged to have
been one of those whose life he touched. He was a part of my
family. My heart is deeply saddened by this unexpected loss. Please
know that you will see him again In heaven.*

*My prayer is that God will strengthen you all through this time of
sorrow. I deeply regret not being able to be there with you all doing
this time of sorrow. MaMa Davis, you raised an incredible son who
touched the lives of many. Craig was the best son, brother and
father a mother could hope for. I am with you in spirit. Your family
means the world to me.*

I love you all.

“ *I can't seem to get my head wrapped around this. I met Craig about 1964 (!) when we moved in 3 houses away from his family. Craig taught me to drive a standard. I was always so jealous of his dimples and quick smile. I pray for strength for his family and his dear children.*
