“ *My favorite memory of my mom are all of them from being little always encouraging me to play college football and then going to the NFL just a silly childhood dream but she never told me or let me know it was> she was always there at all my sporting events cheering me on when no one else was she always was there to bandage the cuts and heal the wounds. Growing up I thought that's just what mothers do but as I grew older to see some mothers didn't do that and some kids wasn't so lucky. so heres to you mom for all the years of being there for me all the way to the end. love you and now you go rest cause I know you deserve it and need it. love always your son*
