“ I worked with Cindy, and although we weren't on the same floor anymore, we always managed to say hello to each other when we saw each other! Cindy cooked chicken for a lot of our luncheons, and it was absolutely delicious. That was the ongoing joke I had with Cindy, that I was going to steal her back from her department to work in mine, just for her fried chicken! She would always laugh and tell m she would make if for me anytime! Cindy your smile and sense of humor always brightened my day, you will be missed!

“ I worked with Cindy @ Acordia/Wells Fargo. Eleven years ago I had surgery and was out for several weeks. Cindy worked on my desk when I was out. When I came back, she and I got to know each other and we talked a lot. We talked about her girls. When her brother died, she called me and I listened to her cry, rant, but mostly feel lost. I genuinely liked her a lot. She will be missed and there will be an empty place in my heart. Sara and Mattie, you are both in my prayers

“ Cindy will truly be missed. She was a really good person/friend. She had a wonderful sense of humor and could really pick a person up when needed. I am glad that I was able to know Cindy all these years. My prayers go out to Sara and Mattie to give them strength in the days ahead. RIP my dear friend.
