“ *Our hearts ache for the Warzyniak family. As my little ring bearer so many years ago, I remember Dan deciding he wanted to hold my hand walking down the aisle, so we were a threesome, my dad, Dan and I that took that walk...such a sweetheart.  
God bless you, Dan Allen 🙏

“ *My beloved brother. Words cannot express the sadness I feel inside. I am broken hearted and saddened by this. The out pouring of love to you and your family is overwhelming. Your sense of humor will be missed and your kind and giving heart the willingness to help people will always be remembered. I wished you would have talked to me or wished I would have seen a sign. But I didn't you were always the same you. This world will not be a better place without you. I miss you terribly and my life will never be the same without my "handyman". I love you Dan and I hope you see how much you were loved and are going to be missed. RIP my beloved brother* 💔😭
