“ I met Dana at Go-Mart when I would stop in for coffee on the way to work. If I needed anything, like checking my oil or air in my tires, he would always do it for me. When he hired my husband to work at Go-Mart, we all became great friends. Dana will be greatly missed, we all loved him.

“ We're going to miss you Dana. From the first day I met you, you treated me like family. Life won't be the same with you waking everyone up at the crack of dawn to clean, or when you rant to me about how maddy is always complaining about something. You brought joy into the room no matter what the situation was. I'll never forget when I told you maddy was pregnant, and you asked me what the pregnancy test meant cause you didn't know how to read it 🤔 it's the little things that matter, and they are remembered. You will be forever missed and loved. ❤️❤️
