“ I was very sadden to hear of Dan"s passing. He was too young. I have many fond memories of playing golf with him. His cooked ribs which he would occasionally share were fantastic. He will be missed. Delbert Kidd

“ I first me Dan in 1985 when I was a young factory rep for LeTourneau traveling out to WV to meet the young dealer rep for HMI. Little did I know at the time it was a start of a 35 year friendship where we shared the ups and downs of life, the growth of our families, and the playing of a lot of golf.
Dan taught me a lot about sales, honor, honesty and family.
I will miss our talks, debates and our golf outings. Over the last several days I have been remembering all the good times and funny “Dan “ comments. (How does my hair look?)
Our thoughts and prayers are with Brenda, Dana, DJ and the rest of the family.
