“ *Barbara and family, so very sorry to hear of Danny's passing. It doesn't seem like it has been that long ago that we were in school together. I know we are all getting older, Danny has just beat us home. My thought and prayers are with you and the family.*

“ I have great memories of Danny and Barbara when I was growing up. Danny always had a smile on his face and a kind word to share, as did Barbara. I pray Barbara, Emily, Jason and the rest of the family lean on God and each other to get through the difficult days months and years and years ahead.

*Sending Prayers and Love,
