“ *Dear Suzette,*

I just found out about Danny. My thoughts and prayers are with you and the kids. I know how difficult this can be. We are living in Houston, TX now so news doesn't travel so fast to me now that Linda is gone also. Mother always loved Danny so much. I always loved his sense of humor. Please feel free to contact me anytime.

Love ,

“ *I met Danny when he was 5 and I was 7. We played together and grew up together. Danny was a very special person. God took a good man way too soon. But like they say he calls the best first. My heart goes out to you Suzette and children.*

My love to the family

“ Danny and I went to school together from grade school through high school. He was always a funny person. He played the trumpet in the band and did a great job. He loved his family and his community. My prayers and thoughts are with the family at this time. God Bless.

“ Not enough words to say how great of a person Danny is. He liked to pick at people and would help anyone out. My kids loved him and I always told him that he was the Mayor of Winfield. I saw him the night before at work and we smoked a cigarette together and just talked about life. He was more worried about my condition than his own. He will be missed but know that he is in heaven and as he would say "he came to instigate, aggravate, and irritate" gonna miss you brother but we will be together again someday in heaven God bless your family and may you find joy and peace in the arms of our Lord and Savior Jesus Christ

“ I am so sorry to hear about Danny. He was always such a sweet person and no matter where you saw him he would always greet you with a smile. I will remember him in the band and all the trips we would take on the band bus. Danny was always a big cut up, and a lot of fun to be around. My Prayers to the family for healing and comfort at this very difficult time. One day we will all be together and what a day that will be to see all our loved ones with no pain or problems, just smiling faces all around.
