“ I worked with Danny for 10 years as an inspector with the Division of Labor. When I was first hired, Danny was given the task of training me for the job which he did for others besides myself. Besides work, Danny and I shared other interests such as guns, hunting, and NASCAR. Danny and I talked regularly and he often asked about my family. He routinely ended each conversation in this manner: "If there is anything I can do for you please do not hesitate to call." I extend the same to Robin and Justin. Danny was a good guy who I was blessed to know.

“ I worked with Danny as an Inspector with WV Weights & Measures for the past 10 years. I recently retired and he kept talking about retiring. He just didn't get around to it. My heartfelt prayers and sincere thoughts of sympathy go out to the Mitchell family. He will be greatly missed.

“ Was just with Danny in TN, he was there for Jeanie Givens wedding with Peggy & Paul.

We had the best time, with him and Robin. I really enjoyed when I went to their room at

the hotel, and he was telling me the story of when Gracie came in and surprised Robin.

He was a good guy and was looking forward in being a grandpa. He is in a much better place now with no sorrow, no pain , and no sickness. We will miss you.
