“ *I'm sorry I can't be there this evening to help celebrate the life of Danny but know that my heart felt thoughts and prayers are with you all. Danny and I go way back to grade school. He was a very special person that stands out in my memories of those days. I ran into Danny a couple of years ago in Kmart and we both did a double take. I enjoyed seeing and talking to him again after so many years. May you find peace in knowing that he was known and loved by so many.*
