DJ could definitely lift the mood/spirit in a room and always make me laugh. Walton High School truly lost one of the most memorable alumni from the 80's. My sympathies to his family.

“ DJ will be sadly missed by all who worked with him in the Maintenance Department. He would often eat lunch at the shop with Elly and I and always had funny stories to tell us. I will never forget DJ telling us that he wore Speedos at the beach. For a long time I believed him until one day he told me it was a joke. We had many laughs together and he was always wanting to share things he had in his lunch. Thanks for all the laughs and friendship! Bonnie Lou
