

Daryl Jackson "Jack" Hayslett

October 2, 1943 - March 15, 2018

Daryl Jackson "Jack" Hayslett (74 yrs young)

Jack passed from us to our Lord suddenly on March 15, 2018. He was born to Dorothy Winter and Daryl Clysman Hayslett on October 2, 1943. This amazing man has left his family saddened by his departure but his home with the Lord gives us peace. His beautiful voice rings out with people he admired in praise. My husband was a funny, intelligent, caring and loving man. He leaves me, Terryll Jane, our son and daughter-in-law - Andrew and Linda along with his most precious grandchildren, Luke and Ainsley, all of us in IRB, FL. Jack's daughter and son-in law, Sherie and Bobby Starkey of Bryan, TX, will miss his wit and the love he had for them. Jack's brother and sister-in-law, Walter "Tim" Hayslett and Susan, of Hurricane, WV, will keep his memory alive and help me with their stories of Jack, which they have many. They know how to keep me smiling. There are so many people who will miss him, including his two sons, Jeffrey and David and his daughter, Suzanne.

Jack started his career on October 1, 1967, joining Local #466 Charleston, WV, IBEW. The years following included his projects with the Engineering Dept. Construction Division of the E I DuPont de Nemours & Co. on multiple assignments in Puerto Rico, Germany, Holland, Spain and Ireland as well as many domestic projects. After his last assignment, we returned to WV to continue his "love of the trade" owning Summit Electric Corp. in his hometown

of Hurricane. This work gave him a sense of satisfaction and he truly loved the challenge. He was known for his ability to memorize site drawings and recall them when needed. Like I said, an amazing man.

When it was finally time to retire, we moved to Indian Rocks Beach, FL, to be with our family. He loved playing with his grandchildren - his eyes shined when he could be with them. They will miss his presence and his wisdom in the years ahead. Now it's time to celebrate Jack's accomplishments and honor him.

“ I was Jack's best friend in high school. My parents moved to Hurricane in 1958 and I was a sophomore. Being new, Jack was a welcome friend and helped me settle in. I played football and basketball for the 2 years I was there. We used to hang out at the dance hall with Sharon Lively, Sharon Snodgrass and that whole group. Across the street from Corky Ball. There were 4 of us in school at the same time" Tracy, senior, Donna, junior, Larry, sophomore and Beth freshman although she was in Hurricane Junior High. I spoke with Jack several years ago, right after he had a heart attack. it was great to catch up. I am saddened to hear of his passing.

“ *Terri and family*

I met Jack in 1984 in Parkersburg WV while working as a young engineer at DuPont. Jack was always like a second father to me. He was a gracious, humble and generous man who always had that "s-- eating grin" when something or someone struck that funny bone. I am supremely glad we kept in touch over the years and that he had the chance to meet my wife Jo and see where my career led me since I always considered him to be a significant influence in my life.

Godspeed my friend, you will be missed by those who you touched.

“ I met Jack in Cooper River. I was assigned to the project as a division engineer. Jack and I worked closely on the project. My name is Ray Jones. We quickly became close friends. Our friendship continued throughout our relationship.

Later, I was assigned to the Louviers building and Jack was assigned to a site, I think it was somewhere in West Virginia. Jack would come to see me, I thought. While he was there, Terry would come to me office and talk. She did that from time to time, but it was frequent when Jack was in town. I realized later that she was not coming to talk with me. She came down because Jack was there/

Jack was my friend and so is Terry.

“ My name is Kelly (Hunt) Scott. I used to work for Orders Construction Co. in St. Albans, WV and had the pleasure of knowing Jack while working there. It would always make my day anytime he would stop by the office. He would always make me laugh and he truly was an absolute pleasure to talk with. What a genuinely nice person he was. He will be missed.

“ There isn't enough space to share my memories of Jack. They go way back to about the age of 14. He was a "fixture" at our house and so funny. My memories are fond ones. May his family receive the peace of God. God speed my friend on the next leg of life's journey.
