“ Linda im sorry about David . I wish you and your girls peace . Its so hard but God does have a way of moving you forward. Its hard believe theres not a day that goes by that I dont miss Dennis. I hope you and your girls bond beyond measure. If you have a family that will stick with you it makes it much easier. I miss all the good times we all had at Janets. You take care and you have my deepest sympathy and you all will be in my thoughts and prayers.

“ I met David when I was 15 years old. Strong man who live loved his family whole heartedly. I am now 42, and David had always been nice to me, no matter what was going on in his life. My heart goes out to my former family, and the family of my son DJ Burgess, and my Grandchildren. Much love to the family. May your heart heal peacefully just knowing David is looking down on us.

“ *I'm sure the family knows I love David ,but I never will get tired of saying it.We all lost a great man,but we also had the honor of being a part of his life since he was born, never in this life have I ever had a reason to get angry with him.such a kind hearted man,if I needed him he was there.I had the gift of getting a big hug from him not long ago and I know now he was saying good bye,because when he left I said to another person that I used to get hugs from him often but that was 40 some years ago,and I had tears and still do.To the Family I just want to tell you to cherish his memory as I do Elmer everyday,and if there is any brick roads to be repaired in heaven,David and Eddie will take care of it,and without pain.I love this man with all my heart..*
