“ *It has been almost a year since David's passing. I think of him often. Many of the thoughts and memories below talk of his willingness to help and the joy he brings to the table. I share many of the same feelings and wish the best for his family. You are not forgotten my brother. Thank you for being in our lives.*

“ I am so sorry for your loss of Dave. He was a co-worker with me at N.E.W. and then Asurion. Dave was always ready to crack a joke or share a story, and he was always there to help me when I needed it. When ever he walked by my cube, he never failed to stop and say hi. And I loved his Billy Ray Cyrus stories.

Dave was always considerate of his team mates, volunteering to sit up all night observing the progress of a change, while letting the rest of us sleep. (Calling us to wake us when it was 'our turn'.) He was a stalwart of the IT infrastructure organization and I'm very glad to have known him and worked with him. He will be missed.

I wish you all strength and peace. Including his kitties.

“ You will be missed Brother. Always great conversation, sharing amazing laughs, and reminiscing. My favorite memory, was coming to a party at your house. I was bored at home, so I left 5 hours earlier than necessary. I arrived at your place and we just sat and shot the breeze for 5 hours until anyone else showed up. Just genuine good brother time. Ride in peace Brother Radar. GBNF.

“ I've known David, aka Radar, since 2006 when we both lived in the Atlanta area. Ironically, w both have family in the same NC town.

In the 10 yrs I've known him, we've ridden our motorcycles together all around Atlanta, throughout Georgia, to Florida and even to Indiana and Virginia. I recently saw him in Maryland at a MC event; we talked for awhile and he was happy to be with so many Brothers. Radar had a big heart; and was a kind and gentle man, he will be surely missed.

GBNF. RIP my Brother.

“ I'm going miss one of my dearest friends. David or "radar" was one of kind heartiest people you will ever want to meet. David would do anything from anyone and then make a joke. I live him like he was my family. I'm going miss you bro!
