“ Marsha, Mark, Mike and Family,
We were so saddened to hear of the passing of David. Everytime you saw him he always had that special smile. I am so glad I had the opportunity to spend some time with you guys at Drew's house, and David and I started reminiscing about our years when we were all together at the restaurant with your Mom, my Mom and Letty. We all sure have a lot of good memories to cherish in the years ahead. Keeping all of you in our prayers. As your Mom always called me, Marsha B!
